

We would like to welcome the new Cub Scouts that are joining us; I'm sure they will enjoy themselves and become valuable members of our pack. This term we will be completing a number of badges and trying some of our new badges for the first time. If we have to cancel any outside activities due to the weather we will notify you via our by Facebook page.

Help needed

If you are unavailable to help on your allocated date, will you please rearrange a new date with the other parents? It is important that we maintain the parent / child ratios for all activities in order that they can take place. If you have other children it is not a problem to bring them.

Thank you for your continued support.
